E&TC Department Vision and Mission:

VISION

It is our vision to achieve perfection and reach the level of excellence in our dedicated service of offering standard technical education and training in electronics and telecommunication engineering with improved infrastructure and human resources to those seeking competency for mounding their future career.

Mission

To improve a high quality education that prepares students for success in engineering practice and advanced studies.

To provide value based engineering education.

To provide an opportunities for higher education and an industrial training. To make our students to become a successful engineer and devoted citizen.
