Subject: Invitation for Guest Lecture on "Bridging the Gap: Transitioning from College to a Successful IT Career"

Dear Sir,

On behalf of management, I am pleased to invite you as Expert speaker in the computer science & engineering Department. We are conducting expert lecture on "Bridging the Gap: Transitioning from College to a Successful IT Career". We would appreciate it if you address our students so they can benefit from your knowledge and experience. We will be much obliged by your presence at the Expert lecture. Kindly confirm your availability as soon as possible so we can make arrangements accordingly for the further schedule.

Thanking you.

Principal

Activity report on
Web Page Development

Name of activity: Treasure Hunt (C, JAVA)
Session Date and Day: Friday, 3/11/2023
Time: 3.00 pm to 5.00 pm
Total No. of participants: 18 Groups
Venue: Conference Hall
Who have attended: SY, TY & BTech Students

Computer Science & Engineering Department organized a Technical event called "Treasure Hunt (C, JAVA)" on 3rd November 2023 at Conference Hall. The event aimed to provide a platform for coding enthusiasts to showcase their technical skills and innovation. The event commenced at 3.00 PM with a warm welcome to all the participants. The organizers emphasized the importance of coding and innovation in today's technology-driven world. The event was open to anyone interested in coding, and participants were encouraged to bring their passion and creativity.

The participants were to finish the provided code problems in a unique way using only their knowledge of coding and problem-solving skills. This event tested their ability to visualize and think through code implementation. The participants showed great enthusiasm and competitiveness throughout the event. Their dedication and passion for coding were evident as they tackled the challenges with determination. The atmosphere was filled with excitement and a sense of camaraderie among the participants at the conclusion of the event, all participants were presented with hardcopy participation certificates as a token of appreciation for their active involvement. The winners of each event were awarded certificates of Excellence, recognizing their exceptional performance and skills. Additionally, the winners received trophy as a special reward for their achievements. The event was made possible by the dedicated team of organizers and coordinators.

The winner of the competition were as follows:-

1. Sadik Dilkhush Korbu

Subject: Regarding 1 Day Guest Lecture on "Internet of Things"

Respected Sir,

I the undersigned, Prof. Patil Jyoti want the permission to organize 1 Day Guest Lecture on "Internet of Things" by Mr. Shankar Salunke, for SE and TE the students of Electronic & Telecommunication Department on 22/03/2024 in association with JSM India Infosys Pvt Ltd. And Cloud full stack Developer from IBM Pune is the resource person for said program. He is technical speaker and trainer.

So its kind requests to grant the permission to organize the Guest Lecture from 10:00 Am onwards on said date.

Thanking You.

JPatil
Yours Faithfully

Prof. Jyoti Patil

Subject: Thanking for giving Guest lecture on "Internet of Things".

Dear Sir,

We, on behalf of JSPM's Bhagwant Institute Of Technology, Barshi very much thankful for giving Guest Lecture on "Internet of Things". to our SE & TE Electronics & telecommunication students on 22/03/24. This lecture gives us an effective benefit in knowledge and to develop / increase the personality & memory of our E & TC department student.

Thanking you.

Yours truly,

Principal BIT, Barshi.

Subject: Invitation for Expert Lecture on "Internet of Things"

Dear Sir,

On behalf of E & TC department, I am pleased to invite you as Expert speaker in the computer science & engineering Department. We are conducting expert lecture on "Internet of Things". We would appreciate it if you address our students so they can benefit from your knowledge and experience. We will be much obliged by your presence at the Expert lecture. Kindly confirm your availability as soon as possible so we can make arrangements accordingly for the further schedule.

Thanking you.

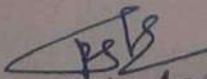

Yours faithfully,

Guest Lecture on Internet of Things

Name of program	Emerging trends Internet of Things
Date:	22/03/2024
Venue/address	Conference Hall
Guest	Mr. Shankar Salunke from IBM Pune
Audience	All Students of E&TC department

Aim: 1 Day Guest Lecture on "Internet of Things"

Introduction & Objectives of program:

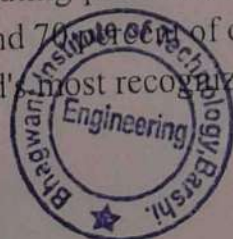

The inaugural of the Guest lecture witnessed the presence of Prof. **K.P. Londhe** HOD E & TC along with the Prof. **Kumbhar** HOD CSE and all faculty members of Department.

About the IBM Pune. :

A famous tag line of IBM "Our clients' systems support modern society. In making them faster, more productive, and more secure, we don't just make business work better. We make the world work better" define it's value of their work.

The International Business Machines Corporation (using the trademark IBM), nicknamed Big Blue, 6] is an American multinational technology company headquartered in Armonk, New York and present in over 175 countries.[IBM is the largest industrial research organization in the world, with 19 research facilities across a dozen countries, having held the record for most annual U.S. patents generated by a business for 29 consecutive years from 1993 to upto this date

IBM was founded in 1911 as the Computing-Tabulating-Recording Company (CTR), a holding company of manufacturers of record-keeping and measuring systems. It was renamed "International Business Machines" in 1924 and soon became the leading manufacturer of punch-card tabulating systems. During the 1960s and 1970s, the IBM mainframe, exemplified by the System/360, was the world's dominant computing platform, with the company producing 80 percent of computers in the U.S. and 70 percent of computers worldwide. It is also consistently ranked among the world's most recognizable, valuable, and admired brands

Objective of Emerging trends in Embedded System's with IOT

Awareness: To raise awareness among engineers and developers about the latest trends and advancements in embedded systems technology.

Skill Development: To provide participants with the necessary skills and knowledge required to work with emerging technologies in the field of embedded systems.

Industry Relevance: To ensure that participants are equipped with insights into trends that are currently shaping the embedded systems industry, helping them stay competitive and relevant.

Hands-on Experience: To offer practical, hands-on experience with tools, platforms, and techniques associated with emerging trends in embedded systems.

Problem Solving: To empower participants to solve real-world problems using cutting-edge embedded systems technologies.

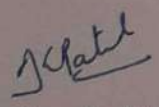

Networking: To facilitate networking opportunities among participants and industry experts, fostering collaboration and exchange of ideas.

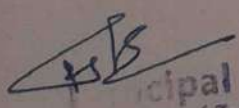

Participants:

The students from SE and TE of E&TC department actively participated in the Guest Lecture (90)

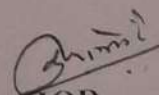

Conclusion:

The student of E&TC department has participated and successfully completed 1 Day Guest Lecture on "Internet of Things"
