Respected Sir.

On the occasion of the Gandhi Jayanti is a national holiday in India, celebrated annually on 2 October to honour the birth of Mahatma Gandhi, one of the key leaders of the Indian independence movement and a pioneer of the philosophy and strategy of nonviolence. Perhaps Gandhi's most important legacy was in creating a culture of peace, in proving the effectiveness of non-violent non-cooperation, and drawing the world's attention to the gap between what we do, and what we are capable of doing. Respected Sir.

On the occasion of the Ambedkar Jayanti or Bhim Jayanti is observed on 14 April to commemorate the memory of B. R. Ambedkar, Indian politician and social reformer. It marks Ambedkar's birthday who was born on 14 April 1891. His birthday is also referred to as 'Equality Day' by some in India. He is often referred to as the father of the Indian Constitution, and is probably the most well-known of all Constituent Assembly members. Ambedkar became a key figure in India's constitution-making process due to the offices he held and his interventions and speeches in the Assembly. Details of event
